

2026 CAC GENERAL ELECTION

PRODUCER NOMINATION PROCEDURE

TO: CALIFORNIA AVOCADO PRODUCERS

Created in 1978, the California Avocado Commission strives to enhance the premium positioning of California avocados through advertising, promotion and public relations, and engages in related industry activities. Representing 3,000 avocado growers throughout California, CAC serves as the official information source for California avocados and the California avocado industry.

In October 2026, the Commission will conduct its regularly scheduled general election to fill available seats on CAC's Board of Directors. On the reverse side of this notice is a Summary of Open Seats which lists the seats that shall be filled in the 2026 CAC General Election. Elected individuals shall serve either one- or two-year terms, ending on October 31, 2027 and October 31, 2028, respectively. Also included is a schedule of important dates and deadlines related to the 2026 CAC General Election.

The CAC Election Procedures provide that Producer candidates for Member or Alternate Member seats on the CAC Board may be nominated by a petition, *signed by five eligible producers in the district in which the person is seeking election.* * A person nominated as a Producer shall certify that they meet the definition of a "Producer" or "Grower", defined by CAC Law as "any person who is engaged within this state in the business of producing, or causing to be produced, avocados for market. "Producer" or "grower" does not include any person who has an average annual production of less than 10,000 pounds of avocados in the three preceding marketing years." Nominated Producers shall complete an Affidavit of Eligibility declaring their eligibility to serve on the CAC Board as a representative of the district in which their grove is located, Disclosure of Affiliations form and Candidate Statement.

Producers interested in being declared a candidate in the upcoming 2026 CAC General Election can complete and return the forms included in this mailing. Alternatively, an electronic version of the nomination forms can be found at CaliforniaAvocadoGrowers.com/commission/cac-general-election or by scanning the QR code provided in this notice.

Complete and return the required nomination forms prior to August 17, 2026

The Commission will conduct the 2026 CAC General Election utilizing a ranked choice voting method. With this method, the ballots ask voters to cast their vote by ranking candidates in order of preference (1st choice, 2nd choice, etc.), with the candidate receiving the highest number of 1st choice votes offered their choice of the available seats. In election cycles where more than one seat is available, among the candidates remaining, the candidates with the highest combined total number of 1st, 2nd and 3rd choice votes will be offered the remaining seats.

If you receive a duplicate mailing of this notice, or if any error exists in your name or address, please contact the Commission CACElections@avocado.org so that corrections can be made to our records.
