STATEMENT OF QUALIFICATIONS:

This form will be included with the ballots to inform growers about your qualifications. Please limit your statement to the space provided.

I am a third-generation Southern California farmer and have been an active avocado producer since 1978. In 1989 I established Stehly Grove Management which currently manages over 250 acres of avocados, mostly organic. I have served my community as a founding director of the Valley Center Fire Protection District, a past president of the Valley Center Rotary Club and Chair of the Palomar Pomerado Health Foundation.

In addition to community service, I have been involved in both governmental working groups and agricultural organizations on behalf of local farmers. For over 35 years I served as a director of Corona College Heights Orange and Lemon Association, a citrus packing house. I have been a board member of the San Diego County Farm Bureau for over 25 years and served as its President from 1998 – 2000. From 2018-2024 I represented San Diego and Imperial counties on the California Farm Bureau Board of Directors while also serving on some state committees. I have represented California agriculture on behalf of San Diego and California growers in both Sacramento and Washington.

I am currently a CAC District 1 director and a member of the Finance committee.

I believe strongly in the mission of the California Avocado Commission. Marketing and research are critical to our industry. California growers produce quality avocados and telling our story is the key to capturing the value of California avocados.

I declare under penalty of perjury that the foregoing is a complete, true and correct explanation of my qualifications. I understand that this form shall be reproduced and included with election information mailed to eligible voters.
