The purpose of this Code is to promote as well as to provide guidance with regard to ethical conduct, integrity, standards, and practices expected of Commission staff. Ethical conduct and loyalty are inherent obligations and employees are expected to act in the best interests of CAC and to comply with CAC policies and procedures. Consequently, this policy is created to sustain a strong ethical culture on which CAC is built and is to be used as a foundation for conducting its activities.

This Code does not cover every issue that may arise but is intended to provide a basic summary of the legal, ethical and regulatory principles that should guide the conduct of all staff members. CAC expects every employee to conduct themselves in strict compliance with all legal and ethical obligations, and to avoid even the appearance of impropriety. CAC's philosophy can be implemented only if CAC staff recognize their responsibilities and take care in following this policy.

CAC expects each staff member to read and become familiar with CAC's policies and the ethical standards described in this Code. Compliance with this Code and the high standards of ethical conduct is mandatory for every employee.

This Code requires at a minimum:

All staff members are responsible for the proper use of CAC's assets, and must safeguard such assets against loss, damage, misuse or theft. Staff members must not use CAC identification, stationery, supplies, or equipment for personal or political matters. Staff members who violate any aspect of this policy or who demonstrate poor judgment in the manner in which they use any asset may be subject to disciplinary action, up to and including termination. CAC equipment and assets are to be used for CAC's purposes only and may not be used for personal use.

Staff members are personally responsible for all CAC funds over which they exercise control. CAC funds must be used only for CAC purposes and not for personal benefit. Staff members who have access to CAC funds in any form must follow the prescribed procedures for recording, handling, and protecting money as detailed in CAC's policies. When a staff member's position requires spending CAC funds or incurring any reimbursable personal expenses, that individual must use good judgment on CAC's behalf to ensure that good value is received for every expenditure and that expense reports and invoices are accurate and submitted in a timely manner.

CAC imposes strict standards to prevent fraud and dishonesty. If anyone becomes aware of any evidence of fraud or dishonesty, that person should immediately advise the appropriate person so that CAC can promptly investigate further.

13.05 PAYMENT PRACTICES

Accounting Practices

CAC's responsibility to its constituents and to the public requires that all transactions be fully and accurately recorded in CAC's books and records in compliance with all applicable laws. Additionally, all documentation supporting a transaction should fully and accurately describe the nature of the transaction and be processed in a timely manner.

Under no circumstances may staff members offer to pay, make payment, promise to pay, or issue authorization to pay any money, gift, or anything of value to employees, vendors, consultants, etc. that is perceived as intended, directly or indirectly, to improperly influence any CAC decision, any act or failure to act, or the commitment or commission of fraud. Inexpensive gifts and infrequent business meals, provided that they are not excessive or create an appearance of impropriety, do not violate this policy.

13.06 RESPONSIBILITIES TO CONSTITUENTS AND SUPPLIERS

Relationship with Constituents and Suppliers

Staff members must avoid investing in or acquiring a financial interest in any business that has a contractual relationship with CAC, and/or that provides goods or services where such investment or interest could influence or create the impression of influencing their decisions in the performance of their duties on behalf of CAC.

Gift, Entertainment, and Favors

Staff members must never accept entertainment, gifts or personal favors that would appear to undermine or influence their good business judgment or decisions. Similarly, employees must not accept any other preferential treatment under these circumstances because their position with CAC might be inclined to, or be perceived to, place them under obligation. On occasion, staff members may accept novelties, promotional items of a nominal value, or modest gifts if:

1. The gift complies with the giver's company's rules.
2. This happens only occasionally.
3. The gift was not solicited.
4. Open disclosure of the gift would not embarrass CAC or the people involved.
5. The value of the gift is \$50 (U.S.) or less.

Gifts to CAC instead of to specific staff members are allowed as long as they do not undermine or influence good business judgment or decisions. These gifts should meet the following criteria:

1. The gift complies with the giver's company's rules.
2. This happens only occasionally.
3. The gift was not solicited.
4. Open disclosure of the gift would not embarrass CAC or the people involved.
5. The value of the gift is \$50 (U.S.) or less.

Kickbacks and Secret Commissions

Regarding CAC's activities, staff members may not receive payment or compensation of any kind, except as authorized under CAC's policies. In particular, CAC strictly prohibits the acceptance of kickbacks and secret commissions from suppliers or others. Any breach of this rule will result in immediate termination for employees or. Staff members who violate this practice will be prosecuted to the fullest extent of the law.

13.07 GOVERNMENT RELATIONS

It is CAC's policy to fully comply with all applicable laws and regulations governing contact and dealings with government employees and public officials, and to adhere to high ethical, moral and legal standards

of conduct. This policy includes strict compliance with all local, state, federal, and other applicable laws, rules and regulations.

13.08 REPORTING VIOLATIONS

All staff members are individually responsible for carrying out and monitoring compliance with this Code. Staff members shall report all evidence of a violation of the Code to the appropriate person as follows:

- Board Members – refer the issue to the Board,
- President/Vice Presidents – refer the issue to the CAC Board Chair,
- Employees, Agents and Contractors – refer the issue to the President/Vice Presidents.

Reports of suspected violations will be taken seriously and investigated promptly and thoroughly. All reports will be treated confidentially to every extent possible, except where disclosure is required to investigate a report or by applicable law or legal process. Staff members will be protected from retaliation of any kind.

13.09 DISCIPLINARY ACTIONS/TERMINATION/REMOVAL

The matters covered in this Code are of the utmost importance to CAC and are essential to the ability to conduct its activities in accordance with its stated values. Staff members are expected to adhere to these rules in carrying out their duties for CAC. Accordingly, a failure to fulfill one’s responsibility under this Code may result in disciplinary action, up to and including immediate termination.

Appropriate action will be taken against anyone whose actions are found to violate these policies or any other policies of CAC. Where CAC has suffered a loss, it may pursue its remedies against the individuals or entities responsible. Where laws have been violated, CAC will fully cooperate with the appropriate prosecuting authorities. Reprisal, threats, retribution or retaliation against any person who has in good faith reported a violation or a suspected violation of law, this Code or other CAC policies, or against any person who is assisting in any investigation or process with respect to such a violation, are prohibited.

With respect to employees, the discipline and termination policies contained in CAC’s Employee Handbook will determine the disciplinary actions, termination, or removal of the employee from their position.

With respect to Board members, the discipline and termination policies contained in CAC’s Code of Conduct and Ethics will determine the disciplinary actions, termination, or removal of the Board member from their position.

14.0 FRAUD POLICY

14.01 INTRODUCTION

CAC Fraud Policy is established to facilitate the development of controls that will aid in the detection and prevention of fraud. It is the intent of CAC to promote consistent organizational behavior by providing guidelines and assigning responsibility for the development of controls and conduct of investigations.

This policy applies to any irregularity, or suspected irregularity, involving employees as well as Board members, officers, consultants, vendors, and contractors (Associates), along with outside agencies doing business with Associates and/or any other parties that have a business relationship with CAC.

Any investigative activity required will be conducted without regard to the suspected wrongdoer's length of service, position/title, or relationship to CAC.

14.02 POLICY

CAC management is responsible for the detection and prevention of fraud, misappropriations, and other irregularities. Fraud is defined as the intentional, false representation, or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. Each member of the CAC management team will be familiar with the types of improprieties that might occur within his or her area of responsibility and will be alert for any indication of irregularity.

Any irregularity that is detected or suspected must be reported immediately to the Vice Presidents/President, who coordinates all investigations with California State Office of Attorney General and/or USDA's Office of General Counsel (OGC). Where fraud involves the Vice Presidents/President, the Chair shall be consulted with guidance from California State Office of Attorney General and/or USDA's Office of General Counsel (OGC) prior to action being taken.

14.03 ACTIONS CONSTITUTING FRAUD

Actions constituting fraud refer to, but are not limited to:

1. Any dishonest or fraudulent act.
2. Misappropriation of funds, securities, supplies, or other assets.
3. Impropriety in the handling or reporting of money or financial transactions.
4. Profiteering as a result of insider knowledge of CAC activities.
5. Disclosing confidential and proprietary information to outside parties.
6. Accepting or seeking anything of material value from contractors, vendors, or persons providing services/materials to CAC. (Exception: Gifts less than \$50 in value).

7. Destruction, removal, or inappropriate use of records, furniture, fixtures, and equipment; and/or
8. Any similar or related irregularity.

14.04 OTHER IRREGULARITIES

Irregularities concerning an employee's moral, ethical, or behavioral conduct should be resolved by the Vice Presidents/President. If there is any question as to whether an action constitutes fraud, California State Office of Attorney General and/or USDA's Office of General Counsel (OGC) shall be contacted for guidance.

14.05 INVESTIGATION RESPONSIBILITIES

The Vice Presidents/President has the primary responsibility for the investigation of all suspected fraudulent acts as defined in the policy. If the suspected fraudulent act involves the President, the Chair shall have the responsibility of the investigation. If the investigation substantiates that fraudulent activities have occurred, a report will be issued to the Chair. The Chair will bring it to the attention of the Finance Committee and if appropriate and based on any confidentiality issues final notification should be given to the members of the Board.

14.06 CONFIDENTIALITY

All information received shall be held in strict confidence except where disclosure is expressly permitted by the provisions of this policy or required by law. Any Associate who suspects dishonest or fraudulent activity will notify the Vice Presidents/President immediately and should not attempt to personally conduct investigations or interviews/interrogations related to any suspected fraudulent act (see Section 13.08 Reporting Procedures below).

Investigation results will not be disclosed or discussed with anyone other than those who have a legitimate need to know. This is important in order to avoid damaging the reputations of persons suspected but subsequently found innocent of wrongful conduct and to protect CAC from potential civil liability.

14.07 AUTHORIZATION FOR INVESTIGATING SUSPECTED FRAUD

The Vice Presidents/President may appoint an Investigation Team that will have:

- Free and unrestricted access to all CAC records and premises, whether owned or rented; and
- The authority to examine, copy, and/or remove all or any portion of the contents of files, desks, cabinets, and other storage facilities on the premises without prior knowledge or consent of any

individual who might use or have custody of any such items or facilities when it is within the scope of their investigation.

14.08 REPORTING PROCEDURES

Great care must be taken in the investigation of suspected improprieties or irregularities so as to avoid mistaken accusations or alerting suspected individuals that an investigation is under way. An Associate who discovers or suspects fraudulent activity will contact the Vice Presidents/President immediately. The complainant may remain anonymous. All inquiries concerning the activity under investigation from the suspected individual, his or her attorney or representative, or any other inquirer should be directed to the Vice Presidents/President or legal counsel.

No information concerning the status of an investigation will be given out. The proper response to any inquiry is, "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

The reporting individual should be given the following direction:

- Do not contact the suspected individual in an effort to determine facts or demand restitution.
- Do not discuss the case, facts, suspicions, or allegations with *anyone* unless specifically asked to do so by the Vice Presidents/President or legal counsel.

14.09 TERMINATION

If an investigation results in a recommendation to terminate an individual, the recommendation will be reviewed by legal counsel before any such action is taken. The Vice Presidents/President does not have the authority to terminate an employee in such a situation without first seeking legal advice and counsel.

15.0 WHISTLEBLOWER PROTECTION POLICY

15.01 POLICY

CAC is committed to protecting employees and applicants for employment from interference with making a protected disclosure or retaliation for having made a protected disclosure or for having refused an illegal order as defined in this policy.

This policy is derived from the California Whistleblower Protection Act (Government Code Sections 8547 et seq.). Pursuant to this code section, a Commission employee may not:

1. Retaliate against an employee or applicant for employment who has made a protected disclosure or who has refused to obey an illegal order, nor
2. Directly or indirectly use or attempt to use the official authority or influence of his or her position or office for the purpose of interfering with the right of an applicant or an employee to make a protected disclosure to the State Auditor, the employee’s immediate supervisor or other appropriate administrator about matters within the scope of this policy.

It is the intention of the Commission to take whatever action may be needed to prevent and correct activities that violate this policy.

15.02 SCOPE OF POLICY AND DEFINITIONS

This policy applies to protected disclosures and to complaints of retaliation or interference filed by employees or applicants for employment who have made or attempted to make a protected disclosure (“whistleblowers”) or refused to obey an illegal order, as defined below.

A. Improper Activity

Any activity undertaken by the Commission or by an employee that is undertaken in the performance of the employee’s official duties, whether or not that action is within the scope of his or her employment, and that (1) is in violation of any state or federal law or regulation, including, but not limited to, corruption, malfeasance, bribery, theft of Commission property, fraudulent claims, fraud, coercion, conversion, malicious prosecution, misuse of Commission property and facilities, or willful omission to perform duty, or (2) is economically wasteful, or involves gross misconduct, gross incompetence, or gross inefficiency.

B. Protected Disclosure

Any good faith communication that discloses or demonstrates an intention to disclose information that may evidence either (1) an improper governmental activity or (2) any condition that may significantly threaten the health or safety of employees or the public if the disclosure or intention to disclose was made for the purpose of remedying that condition.

C. Illegal Order

Any directive to violate or assist in violating an applicable federal, state, or local law, rule, or regulation or any order to work or cause others to work in conditions outside of their line of duty that would unreasonably threaten the health or safety of employees or the public.

D. Interference

Direct or indirect use of authority to obstruct an individual's right to make a protected disclosure.

E. Official Authority or Influence

Promising to confer, or conferring, any benefit; effecting, or threatening to effect, any reprisal; taking, or directing others to take, or recommending, processing, or approving, any personnel action, including, but not limited to, appointment, promotion, transfer, assignment, performance evaluation, suspension, or other disciplinary action.

15.03 DISCLOSING ILLEGAL ACTIVITY

A complaint regarding improper activity by the Commission or any Commission employee may be made by any Commission employee to his or her supervisor, to the Commission Vice President/President, or to the Chair. However, employees are not required to first report improper activity to a supervisor or Commission management and may proceed directly to the State Auditor's complaint process described below.

The California Whistleblower Protection Act authorizes the California State Auditor to receive complaints from state employees and members of the public who wish to report an improper governmental activity. The complaints received by the State Auditor shall remain confidential, and the identity of the complainant may not be revealed without the permission of the complainant, except to an appropriate law enforcement agency conducting a criminal investigation.

Upon receiving a complaint, the State Auditor may conduct an investigation into the facts alleged in the complaint to determine whether an improper governmental activity has occurred. Before launching an investigation, the State Auditor's staff will conduct a careful evaluation of the complaint to determine whether it has enough potential merit to warrant the expenditure of state resources to conduct an investigation. As such, the following should be provided when filing a complaint:

- A clear and concise statement of what the complainant is alleging is an improper act, why the complainant believes it is improper, and what evidence there is to confirm that what the complainant is saying is true.
- A name or other information that clearly identifies the person the complainant is alleging has acted improperly, and the department where that person works.
- Witnesses or documents that will support what the complainant is alleging.
- The complainant's name and full contact information so the Auditor is able to conduct an interview.
- Submitting copies of any documents that will support the complaint is extremely helpful to the evaluation process. However, please submit copies of the documents, rather than the original documents, as they cannot be returned.

Complaints may be submitted to the State Auditor in the following ways:

By Mail:

Investigations California State Auditor
P.O. Box 1019
Sacramento, CA 95812

As an alternative, the electronic version of the complaint form can be completed at <https://information.auditor.ca.gov/pdfs/other/adm-105.pdf>, printed it out, and returned it by mail to the above address.

By Phone:

The complainant may call the State Auditor's Whistleblower Hotline at (800) 952-5665 and file a complaint with one of the State Auditor's employees. The hotline is staffed Tuesdays and Thursdays from 11 a.m. to 5 p.m. If you call when the hotline is not staffed, or when staff is occupied with other calls, you may leave a voicemail message requesting a return call.

By Internet:

A complaint can be filed online at https://information.auditor.ca.gov/contactus/state_auditor_staff_complaint

After the State Auditor receives a complaint, any investigation resulting from the complaint is confidential, so the State Auditor's staff cannot provide any updates about what is being done to investigate the complaint or what information has been uncovered. Information about the investigation will not be released until a report is issued by the State Auditor.

15.04 PROTECTION FROM RETALIATION

The Commission will not retaliate against any employee for making a good faith protected disclosure or complaint pursuant to this policy. The California Whistleblower Protection Act protects every state employee who files a complaint from suffering any retaliation by his or her state employer for having made the complaint. The Whistleblower Protection Act forbids every state official and employee from retaliating or attempting to retaliate against any employee or applicant for employment who reports an improper activity.

Retaliation includes intimidation, the denial of appointment or promotion, a threat of adverse action, a poor performance evaluation, involuntary transfer, or any form of disciplinary action.

As state employees, Commission employees may report retaliation by contacting the State Personnel Board (Attn: Appeals Division), in writing, at 801 Capitol Mall, Sacramento, CA 95814, or may call (916) 653-0799.
