It was suggested that the Committee review details of the Commission's retirement plan at a future meeting.

Internal Control Policies and Procedures – Item 4.e.

Ken Melban, CAC vice president of industry affairs and operations, stated that at the request of CAC Board Chair Rob Grether, following the September 12, 2023 Executive Committee meeting, management had prepared an updated authorization matrix for Finance Committee review. It was noted that upon Board approval of the updated matrix, CAC's complete internal control document would then be updated and presented for approval at a later time.

(Cottingham/Prechtl) MSC Unanimous

MOTION 23-10-4-3

The <u>Authorization Matrix</u> is included in the October 2023 Finance Committee Packet and identified as EXHIBIT A, Item 4.e.

2023-24 Cash Flow Projections – Item 4.f.

Ms. Do presented an onscreen 2023-24 cash flow projection model, explaining various revenue scenarios used by management to determine if CAC would be at risk of utilizing the line of credit in the coming fiscal year. It was noted that due to a strong reserve balance, management did not foresee the need to access the credit line in the next twelve months.

The Committee commended the cash flow model developed by Signature Analytics and CAC management and requested it be included with finance packets in the future. There was also a request that CAC explore what investment options are available to CAC, under CDFA and USDA policies, for the monies held as reserves.

Review of Reserves Policy – Item 4.g.

Mr. Melban presented CAC's current reserve policy and commented that the Finance Committee had been delegated the authority by the Board to annual review the policy to determine if modifications are needed based on CAC's current and projected financial position. The Committee discussed the reserve policy, noting that the cash flow presentation had indicated the current reserve policy provide adequate resources for Commission operations to continue despite lack of harvest and revenue. There was discussion of whether the reserve level could be decreased below the current five-million-dollar floor, however after review of the various cash flow models, there was consensus that the current policy should remain unchanged.

The <u>CAC Reserves Policy</u> is included in the October 2023 Finance Committee Packet and identified as EXHIBIT A, Item 4.g.

2023-24 Budget and Assessment Rate – Item 4.h.

The Committee discussed the Board's direction to management in August to develop a 2023-24 budget based on 200-million-pound crop, \$1.15 per pound for value and 2.25% assessment rate, which was different than the Finance Committee discussion in August of 225-million-pound crop and 2.00% assessment rate. There was consensus that the value would most likely be higher than \$1.15 per pound, however there was support for maintaining that figure as the recommended value. The Committee discussed several revenue scenarios based on crop size and assessment rate, culminating with support for the recommendation to the Board of the 2023-24 budget based on 200-million-pound crop, \$1.15 per pound for value and 2.25% assessment rate.

ADJOURN

Mr. Cole adjourned the meeting at 12:05 p.m.

Respectfully submitted,

April Aymami, Industry Affairs Director

California Avocado Commission

MONTHLY **REPORT**

January 2024

EXECUTIVE SUMMARY

CAC Total Revenue is down to budget by \$198K year-to-date due mainly to a shortfall in Assessment revenue as a result of a delay in timing of the current harvest vs. plan. CAC Assessment revenue is down \$92K while HAB Assessment revenue is down \$93K.

On the expense side, Marketing expenses accounted for \$607K of the total \$1.5M in expenses and were \$116K lower than budget due to lower Data, Research and Analysis costs of \$55K. Marketing expenses overall are currently 42% of total expenses vs. a budget of 44%.

Total Operations expenses at \$714K year-to-date consist mainly of Personnel expenses of \$432K and were under budget by \$56K. Operations accounted for 49% of total spending vs. a budget of 46%.

Industry Affairs & Production Research expenses of \$123K were under the budget by \$38K due to lower than expected Grower Communication costs (\$20K) and Demonstration Grove expenses (\$11K). Industry Affairs & Production Research accounted for 8% of total spending vs. a budget of 10%.

Overall, the organization experienced a \$1.45M deficit as compared to a \$1.42M budgeted deficit. This \$25K variance was driven by the timing of the harvest and the related lower than expected assessment revenue year-to-date.

California Avocado Commission

MONTHLY **REPORT**

February 2024

EXECUTIVE SUMMARY

CAC Total Revenue is down to budget by \$543K year-to-date due mainly to a shortfall in Assessment revenue as a result of a delay in timing of the current harvest vs. plan. CAC Assessment revenue is down \$294K while HAB Assessment revenue is down \$231K.

On the expense side, Marketing expenses accounted for \$951K of the total \$2.1M in expenses and were \$150K lower than budget due to lower Data, Research and Analysis costs of \$38K. Marketing expenses overall are currently 46% of total expenses vs. a budget of 47%.

Total Operations expenses at \$932K year-to-date consist mainly of Personnel expenses of \$572K and were under budget by \$57K. Operations accounted for 45% of total spending vs. a budget of 44%.

Industry Affairs & Production Research expenses of \$163K were under the budget by \$34K due to lower than expected Grower Communication costs (\$22K) and Demonstration Grove expenses (\$14K). Industry Affairs & Production Research accounted for 8% of total spending vs. a budget of 9%.

Overall, the organization experienced a \$2M deficit as compared to a \$1.7M budgeted deficit. This \$304K variance was driven by the timing of the harvest and the related lower than expected assessment revenue year-to-date.

SUMMARY:

As part of its fiduciary role, the Board is required to ensure that CAC is adequately insured against various liabilities and potential losses. - Modify CAC's corporate insurance portfolio or coverage amounts
- Direct management to obtain more information or modify the corporate insurance information
- Take no action

STAFF RECOMMENDATION:

ITEM 4.d: CONSIDER APPROVAL OF BUDGET AMENDMENT #1

SUMMARY:

Commission management has prepared Budget Amendment #1, which revises the 2023-24 beginning reserve balance to \$7,425,954 as obtained from the October 31, 2023 ending Net Position balance reported on CAC's 2022-23 audited financial statements. In addition, details of the breakdown of spending by line items for the consumer marketing budget has been included now that Curious Plot, CAC's new agency of record, is in place.

Budget amendment #1 also reflects an increase in the Production Research budget of \$32,500 for industry research support for the sponsorship of Jesse Landesman in the Foundation for Food and Agriculture Research (FFAR) Fellowship program. This item had been approved by the Board at the February 22, 2024, however funding was contingent upon Ms. Landesman's acceptance into the program. CAC has been notified of Ms. Landesman being offered a fellowship and notified that the full first year's sponsorship amount of \$32,500 will be due in the 2023-24 fiscal year, therefore management has included the amount in Budget Amendment #1.

FISCAL ANALYSIS:

• The presented 2023-24 CAC Budget Amendment #1 increases CAC's beginning net position by \$765,313 and increases expenses by \$32,500, resulting in an estimated ending reserve balance of approximately \$6,145,000. For reference, the original 2023-24 CAC Budget approved in October 2023 estimated 2023-24 ending reserves at just over \$5,400,000.

COMMITTEE OPTIONS:

- Recommend approval of the 2023-24 CAC Budget Amendment #1 to the CAC Board, as presented
- Modify the proposed budget and recommend approval to the CAC Board as modified by the Committee

STAFF RECOMMENDATION:

 Recommend approval of the 2023-24 CAC Budget Amendment #1 to the CAC Board, as presented

COMMITTEE INFORMATION

ITEM 4.e: REVISED INTERNAL CONTROL POLICIES & PROCEDURES

SUMMARY:

Due to Commission restructuring and modernization of systems that has occurred over the past two years, CAC's Internal Control Policies and Procedures (ICPPs) needed to be updated to align with current structure, processes and procedures. In addition to these administrative updates, below are revisions made due to specific direction from Board and management:

- At the October 11, 2023 meeting, the CAC Board took action to approve a revised Authorization Limit Matrix and directed staff to update the ICPPs to align with the revised authorization limits.
- At the November 2023 Board meeting, action was taken to approve a Code of Conduct and Ethic, specifically for Board Members and Alternates, and to minimize confusion, direction was given to staff to remove reference to Board Members and Alternates in the Code of Conduct included in the ICPPs.
- As a result of the January 2024 USDA management review, Commission management developed a formalized process for securing USDA approval to ensure marketing materials developed with federal funds obtain approval from USDA prior to use. Management recommended these procedures be added to CAC's ICPPs as a formalized process.

The attached redlined version of the ICPPs incorporates the revisions identified above. Per Section 12.02 of the ICPPs, CAC management is informing the Finance Committee, as the Board's designee, that these changes have been made and will go into effect immediately.

1<u>32</u>.0 CODE OF CONDUCT AND ETHICS

1<u>3</u>2.01 INTRODUCTION AND GENERAL POLICY

This Code of Conduct and Ethics (Code) applies to all Board members, committee members, and alternates (collectively "Board members") all employees of the California Avocado Commission (CAC). The purpose of this Code is to promote as well as to provide guidance with regard to ethical conduct, integrity, standards, and practices expected of <u>CAC Board members</u><u>Commission staff</u>. Ethical conduct and loyalty are inherent obligations and <u>Board members employees</u> are expected to act in the best interests of CAC and to comply with CAC policies and procedures. Consequently, this policy is created to sustain a strong ethical culture on which CAC is built and is to be used as a foundation for conducting its activities.

This Code does not cover every issue that may arise, but is intended to provide a basic summary of the legal, ethical and regulatory principles that should guide the conduct of all <u>Board membersstaff members</u>. CAC expects every <u>Board memberemployee</u> to conduct themselves in strict compliance with all legal and ethical obligations, and to avoid even the appearance of impropriety. CAC's philosophy can be implemented only if CAC <u>Board membersstaff</u> recognize their responsibilities and take care in following this policy.

CAC expects each <u>Board staff</u> member to read and become familiar with CAC's policies and the ethical standards described in this Code. Compliance with this Code and the high standards of ethical conduct is mandatory for every <u>Board membeemployeer</u>.

This Code requires at a minimum:

- 1. Honest, prudent and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between professional and personal relationships;
- 2. Compliance with CAC's policies and with applicable governmental laws, rules and regulations;
- 3. The prompt reporting of violations of this Code, including any illegal activity, to the appropriate person or persons identified in this Code;
- 4. Full, fair, accurate, timely and understandable disclosures in reports and documents; and
- 5. Accountability and enforceability for adherence to this Code.

Board members must also recognize that the Board acts only as a collective entity. Success depends on the contributions of all Board members and their ability to work well together. With the goal of embedding these core principles into the culture of the Board, this policy establishes standards of conduct expected of each Board member.

12.02 RESPONSIBILITIES OF BOARD MEMBERS

Code of Ethics and Conduct

Board members shall at all times abide by the following code of ethics and conduct in their capacity as Board members:

- 1. Duty of Care.
 - a. Board members will abide in all respects by this code of conduct and all other CAC policies and procedures and will ensure that they remain in good standing at all times. Furthermore, each Board member will comply with applicable federal, state, and local laws and regulations and will provide their full cooperation when requested to do so.
 - b. When performing their duties on the board or any committee, Board members must act in <u>good faith</u>, in a manner reasonably believed to be in CAC's <u>best interest</u>, and with such <u>care</u>, including reasonable <u>inquiry</u>, as an ordinarily <u>prudent person</u> in like position would use under <u>similar circumstances</u>.

Board members should:

- Be <u>informed</u>: Become and remain informed about the activities and goals of the organization

 not the minutia, but at least as to its major activities, financial condition, and the
 procedures under which it operates.
- b. <u>Participate</u>: Attend meetings; volunteer for committee assignments; participate in discussions, etc. Even if a Board member isn't there, he or she can still be held responsible for actions taken.
- c. <u>Act in good faith</u>: Decisions are to be made with the best interests of CAC in mind, in a deliberate fashion, without undue haste or pressure from other sources; ask for independent evaluations on complex issues (legal counsel, accountants) reasonable inquiry; appropriate paper trail (ensure good minutes are maintained, etc.).

2.—Duty of Loyalty.

- a. <u>Avoid Conflicts of Interest</u> (a decision before the Board in which a Board member or his or her family may benefit financially).
 - i. Disclose If a board member thinks they have a conflict of interest on a particular agenda item before the board, the concern must be disclosed to the Chairman (preferably before the meeting) to determine whether a conflict actually exists (seek advice of legal counsel if necessary).
 - ii. Abstain If a board member does have a conflict, they should abstain from both discussion and voting on the matter.

- iii. Real, perceived, creating problems Even if it's determined that an actual, legal conflict of interest does not exist, consider abstaining from the discussion and vote anyway if the perception of a conflict will cause problems for the organization.
- b. <u>Avoid Corporate opportunity/self-dealing</u>: Board members must not look for ways, or take advantage of opportunities, to make money from CAC (i.e. leasing its office space or equipment, persuade decisions affecting other organizations on which they serve, using corporate resources for personal gain, selling product for use by CAC, etc.). Additionally, board members must not attempt to persuade any employee of CAC to leave the employment of CAC or to become employed by the board member or a related entity. Furthermore, board members must refrain from attempting to persuade exhibitors, advertisers, sponsors, suppliers, contractors, or any other person or entity with an actual or potential relationship to CAC to terminate, curtail, or not enter into its relationship with CAC or to in any way reduce the monetary or other benefits to CAC of such a relationship.
- c. <u>Confidentiality</u>: Every Board member has a duty to maintain in confidence the proprietary and confidential information of CAC (unless otherwise required by law), and not to utilize confidential and proprietary information of CAC for his or her own personal gain or to the detriment of CAC.
- d. <u>Duty to support the board publicly:</u> When representing CAC in public, Board members should support the positions taken by the Board and should avoid stating personal opinions adverse to CAC. Board members can, of course, voice personal opinions when speaking on their own behalf and not on behalf of CAC.
- e. <u>After Leaving Service</u>: Upon termination of service for any reason, Board members must promptly return to CAC all documents, electronic and hard files, reference materials, and other property entrusted to the board member in his or her capacity as a Board member. Such return of materials does not abrogate the board member's duty of confidentiality with respect to the information contained in those materials and the Board member's duty of confidentiality continues after leaving the Board.
- 3. Relations with Staff. The Board has a duty to select a President who will lead and guide CAC in its day to day activities with integrity and with the best interests of CAC and the avocado industry as his/her goal. The Board must use its best efforts to ensure that the President is in compliance with all federal, state, and local employment related laws and regulations and that employees are hired, promoted, and disciplined by the President in a fair and unbiased manner in accordance with CAC's Employee Handbook. The Board supervises the President and takes seriously any complaint from employees or third parties about the President's conduct, and will not tolerate retaliation against any employee who makes a good faith complaint against the President. Board members should refrain from intruding on administrative issues that are the responsibility of the President or other managers, and must abide by CAC's Communications Policy (set forth

CODE OF CONDUCT AND ETHICS

later in this document). While it is the President who generally interacts with other staff, Board members who have permitted interaction with staff should treat employees courteously and professionally, recognizing that CAC has an obligation to provide its employees a workplace free from discrimination and harassment.

4. Relations among Board Members. Each Board member must foster an environment of respect, cooperation and collegiality. A Board member must not unduly disrupt the board from operating in an efficient and effective manner. Board members should treat each other with courtesy and allow other members of the board to express their views. A Board member should respect the differing opinions of others. Board members may disagree on issues, but disagreements should be directed at the issue -- personal attacks are not acceptable. A Board member should never undermine, sabotage or falsely impugn another board member. This is not intended to preclude a Board member from filing or voicing a complaint against another Board member, but is to ensure that complaints are made only after thoughtful consideration and with the utmost good faith.

1<u>32</u>.0<u>2</u>3 DISCLOSURE AND FINANCIAL INTEGRITY

CAC requires honest and accurate recording and reporting of information. CAC's policy is to provide full, fair, accurate, timely and understandable disclosure in reports and documents. All of CAC's books, records, accounts and financial statements must be maintained in reasonable detail, accurately and fairly reflect transactions, not contain false or misleading entries, comply with generally accepted accounting principles, be audited in accordance with generally accepted government auditing standards, and conform to applicable legal requirements and to CAC's internal control policies and procedures have been developed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for internal and external purposes. These internal control policies and procedures require CAC to:

- 1. Maintain records that, in reasonable detail, accurately and fairly reflect transactions and dispositions of assets;
- 2. Properly record transactions to permit the preparation of financial statements in accordance with generally accepted accounting principles, and make receipts and expenditures only in accordance with authorizations of management and the Members of the Board ; and,
- 3. Prevent or detect in a timely manner the unauthorized acquisition, use or disposition of assets.

CAC expects all **Board members and** staff to comply with the disclosure controls and procedures and report any:

- 1. Material information or unreported transactions that affect the disclosures made in the financial statements
- Information concerning significant deficiencies and material weaknesses in the design or operation of CAC's internal control over financial reporting which are reasonably likely to adversely affect the ability to record, process, summarize and report financial information
- 3. Fraud, whether or not material, that involves Board members and staff members who have a significant role in internal control or financial reporting

1<u>3</u>2.0<u>3</u>4 USE OF CAC ASSETS

General

Protecting CAC's assets is a key fiduciary responsibility of every Board member and staff member. Care should be taken to ensure that assets are not misappropriated. All Board members and staff members are responsible for the proper use of CAC's assets, and must safeguard such assets against loss, damage, misuse or theft. Board members and sStaff members must not use CAC identification, stationery, supplies, or equipment for personal or political matters. Board members and sStaff members who violate any aspect of this policy or who demonstrate poor judgment in the manner in which they use any asset may be subject to disciplinary action, up to and including termination. CAC equipment and assets are to be used for CAC's purposes only and may not be used for personal use.

CAC Funds

Board members and sStaff members are personally responsible for all CAC funds over which they exercise control. CAC funds must be used only for CAC purposes and not for personal benefit. Board members and sStaff members who have access to CAC funds in any form must follow the prescribed procedures for recording, handling, and protecting money as detailed in CAC's policies. When a Board or staff member's position requires spending CAC funds or incurring any reimbursable personal expenses, that individual must use good judgment on CAC's behalf to ensure that good value is received for every expenditure and that expense reports and invoices are accurate and submitted in a timely manner.

CAC imposes strict standards to prevent fraud and dishonesty. If anyone becomes aware of any evidence of fraud or dishonesty, that person should immediately advise the appropriate person so that CAC can promptly investigate further.

1<u>32</u>.0<u>4</u>5 MANAGING CAC'S INFORMATION AND RECORDS

Maintaining and Managing Records

CAC has a legal requirement to manage its records and information, including all recorded information regardless of medium or characteristics. Records include but are not limited to paper documents, CDs, computer hard disks, email, floppy disks, microfiche, microfilm and all other media. CAC is required by laws, regulations, policies and guidelines to retain certain records and to follow specific guidelines in managing its records. Penalties may be incurred for failure to comply with such rules and disciplinary action may be taken by CAC to correct the situation. Board members and s<u>S</u>taff members are required to manage and maintain records consistent with this Code and CAC's records management/retention policies.

Privacy and Confidentiality

It is imperative that the financial, business, or personal information belonging to CAC be kept confidential and not disclosed unless required by applicable laws or regulations. Confidential information is to be retained only for as long as necessary or as required by law. Anyone handling proprietary data must

protect the physical security of the information, and limit internal access to it to those with a legitimate reason for seeking that information. Only use the information for the purposes for which it was originally obtained. Confidential information includes all non-public information that might be of use to competitors, others, or be harmful to CAC, its personnel, or its related parties if disclosed.

1<u>3</u>2.0<u>5</u>6 PAYMENT PRACTICES

Accounting Practices

CAC's responsibility to its constituents and to the public requires that all transactions be fully and accurately recorded in CAC's books and records in compliance with all applicable laws. False or misleading entries, unrecorded funds or assets, or payments without appropriate supporting documentation and approval are strictly prohibited and violate CAC's policies and the law. Additionally, all documentation supporting a transaction should fully and accurately describe the nature of the transaction and be processed in a timely manner.

No Political Contributions

CAC funds or assets shall not under any circumstances to be used for or contributed to political campaigns, candidates, or political parties.

Prohibition of Inducements

Under no circumstances may Board members or staff members offer to pay, make payment, promise to pay, or issue authorization to pay any money, gift, or anything of value to employees, vendors, consultants, etc. that is perceived as intended, directly or indirectly, to improperly influence any CAC decision, any act or failure to act, or the commitment or commission of fraud. Inexpensive gifts and infrequent business meals, provided that they are not excessive or create an appearance of impropriety, do not violate this policy.

1<u>32</u>.0<u>6</u>7 RESPONSIBILITIES TO CONSTITUENTS AND SUPPLIERS

Relationship with Constituents and Suppliers

Board members and sStaff members must avoid investing in or acquiring a financial interest in any business that has a contractual relationship with CAC, and/or that provides goods or services where such investment or interest could influence or create the impression of influencing their decisions in the performance of their duties on behalf of CAC.

Gift, Entertainment, and Favors

Board members and sStaff members must never accept entertainment, gifts or personal favors that would appear to undermine or influence their good business judgment or decisions. Similarly, employees must not accept any other preferential treatment under these circumstances because their position with CAC might be inclined to, or be perceived to, place them under obligation. On occasion, Board members and staff members may accept novelties, promotional items of a nominal value, or modest gifts if:

- 1. The gift complies with the giver's company's rules.
- 2. This happens only occasionally.
- 3. The gift was not solicited.
- 4. Open disclosure of the gift would not embarrass CAC or the people involved.
- 5. The value of the gift is \$50 (U.S.) or less.

Gifts to CAC instead of to specific Board members or staff members are allowed as long as they do not undermine or influence good business judgment or decisions. These gifts should meet the following criteria:

- 1. The gift complies with the giver's company's rules.
- 2. This happens only occasionally.
- 3. The gift was not solicited.
- 4. Open disclosure of the gift would not embarrass CAC or the people involved.
- 5. The value of the gift is \$50 (U.S.) or less.

Kickbacks and Secret Commissions

Regarding CAC's activities, Board members and staff members may not receive payment or compensation of any kind, except as authorized under CAC's policies. In particular, CAC strictly prohibits the acceptance of kickbacks and secret commissions from suppliers or others. Any breach of this rule will result in immediate termination for employees or, in the case of Board members, removal from the Board. Board members and s<u>S</u>taff members who violate this practice will be prosecuted to the fullest extent of the law.

1<u>32</u>.0<u>7</u>8 GOVERNMENT RELATIONS

It is CAC's policy to fully comply with all applicable laws and regulations governing contact and dealings with government employees and public officials, and to adhere to high ethical, moral and legal standards of conduct. This policy includes strict compliance with all local, state, federal, and other applicable laws, rules and regulations.

132.089 **REPORTING VIOLATIONS**

All Board members and staff members are individually responsible for carrying out and monitoring compliance with this Code. Board members and sStaff members shall report all evidence of a violation of the Code to the appropriate person as follows:

- Board Members refer the issue to the Board,
- President/<u>Vice Presidents</u> refer the issue to the CAC Board Chairperson,
- Employees, Agents and Contractors refer the issue to the President/Vice Presidents.

Reports of suspected violations will be taken seriously and investigated promptly and thoroughly. All reports will be treated confidentially to every extent possible, except where disclosure is required to investigate a report or by applicable law or legal process. Board members and sStaff members will be protected from retaliation of any kind.

132.0910 DISCIPLINARY ACTIONS/TERMINATION/REMOVAL

The matters covered in this Code are of the utmost importance to CAC and are essential to the ability to conduct its activities in accordance with its stated values. Board members and sStaff members are expected to adhere to these rules in carrying out their duties for CAC. Accordingly, a failure to fulfill one's responsibility under this Code may result in disciplinary action, up to and including immediate termination for employees and removal for Board members.

Appropriate action will be taken against anyone whose actions are found to violate these policies or any other policies of CAC. Where CAC has suffered a loss, it may pursue its remedies against the individuals or entities responsible. Where laws have been violated, CAC will fully cooperate with the appropriate prosecuting authorities. Reprisal, threats, retribution or retaliation against any person who has in good faith reported a violation or a suspected violation of law, this Code or other CAC policies, or against any person who is assisting in any investigation or process with respect to such a violation, are prohibited.

With respect to employees, the discipline and termination policies contained in CAC's Employee Handbook will determine the disciplinary actions, termination, or removal of the employee from their position.

In the case of Board members, CAC may discipline or remove a Board member from the Board or any committee for cause, as determined by a two-thirds vote at any properly called and noticed Board meeting where a quorum is present. In the event of a removal from the Board, there is a vacancy which shall be filled in the manner provided in Food and Agricultural Code section 67053. In the event of a removal from a committee, the vacancy shall be filled in accordance with the CAC bylaws. The procedure for disciplining a Board member or removing a Board member from the Board or any committee shall be as follows:

- 1. Complaints about a Board member must be in writing. If CAC receives a written complaint about a Board member from any source (whether from another Board member, staff member, industry member, or member of the public), the complaint shall be forwarded to the Executive Committee and to the President who shall determine whether the complaint merits formal process. (If the Board member who is the subject of the complaint is on the Executive Committee, he or she shall voluntarily absent himself/herself from any discussions and/or decision regarding what to do about the complaint.) If the complaint is one that can be resolved by the President, he or she will do so and will advise the Board of the complaint and the outcome. If the complaint is not one that can be informally resolved, the following process will be followed.
- The Board member shall be sent written notice of the proposed discipline or removal and the reasons therefore. Any written notice sent pursuant to this section shall be by USPS certified mail or by express mail service with tracking (USPS priority mail, Federal Express, UPS overnight, or the like). Notice shall be deemed received on the date of delivery as confirmed by the carrier.

- 3. The written notice to the Board member shall provide at least 21 calendar days for the Board member to respond. The Board member's response must be in writing and may be either or both of the following: a) a written statement and documentation detailing the Board member's arguments against removal, or b) a request for an in-person hearing before the Board.
- 4. If the Board member provides a response within the required time period, the Chairperson of the Commission shall call a special Board meeting (or utilize an already scheduled regular meeting) to hear the matter. If the Board member provided only a written statement, the Board shall consider the statement and render its decision based on the written statement and any documents provided. If the Board member requested an in-person hearing, the Board shall provide the Board member with a reasonable amount of time at the Board meeting to make his or her arguments against removal or discipline as applicable.
- 5. Whether to hold any in-person hearing or consideration of written documents in open or closed session shall be governed by the law based on the facts of the particular matter. If the law allows for a closed session, then whether to hold the hearing or consideration in open or closed session will be in the Chairperson's discretion, who shall also take into consideration the wishes of the Board member at issue.
- 6. After considering a written statement or conducting a hearing, the Board shall vote and make its decision, which may include written reprimand, temporary suspension from the Board or a committee, or removal from the Board and/or from a committee. The decision of the Board regarding discipline or removal shall be final.

FRAUD POLICY

143.0 FRAUD POLICY

143.01 INTRODUCTION

CAC Fraud Policy is established to facilitate the development of controls that will aid in the detection and prevention of fraud. It is the intent of CAC to promote consistent organizational behavior by providing guidelines and assigning responsibility for the development of controls and conduct of investigations.

This policy applies to any irregularity, or suspected irregularity, involving employees as well as Board members, officers, consultants, vendors, and contractors (Associates), along with outside agencies doing business with Associates and/or any other parties that have a business relationship with CAC.

Any investigative activity required will be conducted without regard to the suspected wrongdoer's length of service, position/title, or relationship to CAC.

1<u>4</u>3.02 POLICY

CAC management is responsible for the detection and prevention of fraud, misappropriations, and other irregularities. Fraud is defined as the intentional, false representation, or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. Each member of the CAC management team will be familiar with the types of improprieties that might occur within his or her area of responsibility, and will be alert for any indication of irregularity.

Any irregularity that is detected or suspected must be reported immediately to the <u>Vice</u> <u>Presidents/</u>President, who coordinates all investigations with California State Office of Attorney General and/or USDA's Office of General Counsel (OGC). Where fraud involves the <u>Vice Presidents/</u>President, the Chairperson of the Board-shall be consulted with guidance from California State Office of Attorney General and/or USDA's Office of General Counsel (OGC) prior to action being taken.

143.03 ACTIONS CONSTITUTING FRAUD

Actions constituting fraud refer to, but are not limited to:

- 1. Any dishonest or fraudulent act.
- 2. Misappropriation of funds, securities, supplies, or other assets.
- 3. Impropriety in the handling or reporting of money or financial transactions.
- 4. Profiteering as a result of insider knowledge of CAC activities.
- 5. Disclosing confidential and proprietary information to outside parties.
- 6. Accepting or seeking anything of material value from contractors, vendors, or persons providing services/materials to CAC. (Exception: Gifts less than \$50 in value).

FRAUD POLICY

- 7. Destruction, removal, or inappropriate use of records, furniture, fixtures, and equipment; and/or
- 8. Any similar or related irregularity.

1<u>4</u>3.04 OTHER IRREGULARITIES

Irregularities concerning an employee's moral, ethical, or behavioral conduct should be resolved by the <u>Vice Presidents/</u>President. If there is any question as to whether an action constitutes fraud, California State Office of Attorney General and/or USDA's Office of General Counsel (OGC) shall be contacted for guidance.

1<u>4</u>3.05 INVESTIGATION RESPONSIBILITIES

The <u>Vice Presidents/</u>President has the primary responsibility for the investigation of all suspected fraudulent acts as defined in the policy. If the suspected fraudulent act involves the President, the Chairperson of the Board shall have the responsibility of the investigation. If the investigation substantiates that fraudulent activities have occurred, a report will be issued to the Chairperson of the Board. The Chairperson will bring it to the attention of the Finance Committee and if appropriate and based on any confidentiality issues final notification should be given to the members of the Board.

143.06 CONFIDENTIALITY

All information received shall be held in strict confidence except where disclosure is expressly permitted by provisions of this policy or required by law. Any Associate who suspects dishonest or fraudulent activity will notify the <u>Vice Presidents/</u>President immediately, and should not attempt to personally conduct investigations or interviews/interrogations related to any suspected fraudulent act (see Section 13.08 Reporting Procedures below).

Investigation results will not be disclosed or discussed with anyone other than those who have a legitimate need to know. This is important in order to avoid damaging the reputations of persons suspected but subsequently found innocent of wrongful conduct and to protect CAC from potential civil liability.

143.07 AUTHORIZATION FOR INVESTIGATING SUSPECTED FRAUD

The <u>Vice Presidents</u>/President may appoint an Investigation Team that will have:

• Free and unrestricted access to all CAC records and premises, whether owned or rented; and

FRAUD POLICY

 The authority to examine, copy, and/or remove all or any portion of the contents of files, desks, cabinets, and other storage facilities on the premises without prior knowledge or consent of any individual who might use or have custody of any such items or facilities when it is within the scope of their investigation.

143.08 REPORTING PROCEDURES

Great care must be taken in the investigation of suspected improprieties or irregularities so as to avoid mistaken accusations or alerting suspected individuals that an investigation is under way. An Associate who discovers or suspects fraudulent activity will contact the <u>Vice Presidents/President immediately</u>. The complainant may remain anonymous. All inquiries concerning the activity under investigation from the suspected individual, his or her attorney or representative, or any other inquirer should be directed to the <u>Vice Presidents/President or legal counsel</u>.

No information concerning the status of an investigation will be given out. The proper response to any inquiry is, "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

The reporting individual should be given the following direction:

- Do not contact the suspected individual in an effort to determine facts or demand restitution.
- Do not discuss the case, facts, suspicions, or allegations with *anyone* unless specifically asked to do so by the <u>Vice Presidents/</u>President or legal counsel.

143.09 TERMINATION

If an investigation results in a recommendation to terminate an individual, the recommendation will be reviewed by legal counsel before any such action is taken. The <u>Vice Presidents/</u>President does not have the authority to terminate an employee in such a situation without first seeking legal advice and counsel.

1<u>5</u>4.0 WHISTLEBLOWER PROTECTION POLICY

1<u>5</u>4.01 POLICY

CAC is committed to protecting employees and applicants for employment from interference with making a protected disclosure or retaliation for having made a protected disclosure or for having refused an illegal order as defined in this policy.

This policy is derived from the California Whistleblower Protection Act (Government Code Sections 8547 et seq.). Pursuant to this code section, a Commission employee may not:

- 1. Retaliate against an employee or applicant for employment who has made a protected disclosure or who has refused to obey an illegal order, nor
- 2. Directly or indirectly use or attempt to use the official authority or influence of his or her position or office for the purpose of interfering with the right of an applicant or an employee to make a protected disclosure to the State Auditor, the employee's immediate supervisor or other appropriate administrator about matters within the scope of this policy.

It is the intention of the Commission to take whatever action may be needed to prevent and correct activities that violate this policy.

1<u>5</u>4.02 SCOPE OF POLICY AND DEFINITIONS

This policy applies to protected disclosures and to complaints of retaliation or interference filed by employees or applicants for employment who have made or attempted to make a protected disclosure ("whistleblowers") or refused to obey an illegal order, as defined below.

A. Improper Activity

Any activity undertaken by the Commission or by an employee that is undertaken in the performance of the employee's official duties, whether or not that action is within the scope of his or her employment, and that (1) is in violation of any state or federal law or regulation, including, but not limited to, corruption, malfeasance, bribery, theft of Commission property, fraudulent claims, fraud, coercion, conversion, malicious prosecution, misuse of Commission property and facilities, or willful omission to perform duty, or (2) is economically wasteful, or involves gross misconduct, gross incompetence, or gross inefficiency.

B. Protected Disclosure

Any good faith communication that discloses or demonstrates an intention to disclose information that may evidence either (1) an improper governmental activity or (2) any condition that may significantly threaten the health or safety of employees or the public if the disclosure or intention to disclose was made for the purpose of remedying that condition.

C. Illegal Order

Any directive to violate or assist in violating an applicable federal, state, or local law, rule, or regulation or any order to work or cause others to work in conditions outside of their line of duty that would unreasonably threaten the health or safety of employees or the public.

D. Interference

Direct or indirect use of authority to obstruct an individual's right to make a protected disclosure.

E. Official Authority or Influence

Promising to confer, or conferring, any benefit; effecting, or threatening to effect, any reprisal; taking, or directing others to take, or recommending, processing, or approving, any personnel action, including, but not limited to, appointment, promotion, transfer, assignment, performance evaluation, suspension, or other disciplinary action.

154.03 DISCLOSING ILLEGAL ACTIVITY

A complaint regarding improper activity by the Commission or any Commission employee may be made by any Commission employee to his or her supervisor, to the Commission <u>Vice President/</u>President, or to the Chairperson of the Commission. However, employees are not required to first report improper activity to a supervisor or Commission management and may proceed directly to the State Auditor's complaint process described below.

The California Whistleblower Protection Act authorizes the California State Auditor to receive complaints from state employees and members of the public who wish to report an improper governmental activity. The complaints received by the State Auditor shall remain confidential, and the identity of the complainant may not be revealed without the permission of the complainant, except to an appropriate law enforcement agency conducting a criminal investigation.

Upon receiving a complaint, the State Auditor may conduct an investigation into the facts alleged in the complaint to determine whether an improper governmental activity has occurred. Before launching an investigation, the State Auditor's staff will conduct a careful evaluation of the complaint to determine whether it has enough potential merit to warrant the expenditure of state resources to conduct an investigation. As such, the following should be provided when filing a complaint:

- A clear and concise statement of what the complainant is alleging is an improper act, why the complainant believes it is improper, and what evidence there is to confirm that what the complainant is saying is true.
- A name or other information that clearly identifies the person the complainant is alleging has acted improperly, and the department where that person works.
- Witnesses or documents that will support what the complainant is alleging.
- The complainant's name and full contact information so the Auditor is able to conduct an interview.
- Submitting copies of any documents that will support the complaint is extremely helpful to the evaluation process. However, please submit copies of the documents, rather than the original documents, as they cannot be returned.

Complaints may be submitted to the State Auditor in the following ways:

By Mail:

Investigations California State Auditor P.O. Box 1019 Sacramento, CA 95812 Investigations Bureau of State Audits 555 Capitol Mall, Suite 300 Sacramento, California 95814

As an alternative, the electronic version of the complaint form can be completed at https://information.auditor.ca.gov/pdfs/other/adm-105.pdfhttp://www.bsa.ca.gov/hotline/filecomp, printed it out, and returned it by mail to the above address.

By Phone:

The complainant may call the State Auditor's Whistleblower Hotline at <u>at (800) 952-5665 and file a</u> <u>complaint with one of the State Auditor's employees. The hotline is staffed Tuesdays and Thursdays from</u> <u>11 a.m. to 5 p.m. If you call when the hotline is not staffed, or when staff is occupied with other calls, you</u> <u>may leave a voicemail message requesting a return call.</u> <u>1-800-952-5665 to file a complaint by talking to</u> <u>one of the State Auditor's employees. The hotline is generally staffed Monday through Friday from 8:30</u> <u>a.m. to 5:00 p.m. Calls received when the hotline is not being staffed will be answered by a machine that</u> <u>records messages.</u>

By Internet:

A complaint can be filed online at https://information.auditor.ca.gov/contactus/state auditor staff complaint

https://www.bsa.ca.gov/contactus/complaint

After the State Auditor receives a complaint, any investigation resulting from the complaint is confidential, so the State Auditor's staff cannot provide any updates about what is being done to investigate the complaint or what information has been uncovered. Information about the investigation will not be released until a report is issued by the State Auditor.

1<u>5</u>4.04 PROTECTION FROM RETALIATION

The Commission will not retaliate against any employee for making a good faith protected disclosure or complaint pursuant to this policy. The California Whistleblower Protection Act protects every state employee who files a complaint from suffering any retaliation by his or her state employer for having made the complaint. The Whistleblower Protection Act forbids every state official and employee from retaliating or attempting to retaliate against any employee or applicant for employment who reports an improper activity.

Retaliation includes intimidation, the denial of appointment or promotion, a threat of adverse action, a poor performance evaluation, involuntary transfer, or any form of disciplinary action.

As state employees, Commission employees may report retaliation by contacting the State Personnel Board (Attn: Appeals Division), in writing, at 801 Capitol Mall, MS53, Sacramento, CA 95814, or may call (916) 653-07991403.
